

SAFE MCH®

Numbers · Distance · Hygiene

Creating unique experiences where people can safely meet

For more than 65 years we have focused on arranging unique experiences and meeting places for people, whether their visit is for professional insight, business or pleasure.

Hospitality is our passion – including in these difficult times.

SafeMCH® with its three core elements **Numbers, Distance and Hygiene** is your guarantee that can you can safely visit MCH.

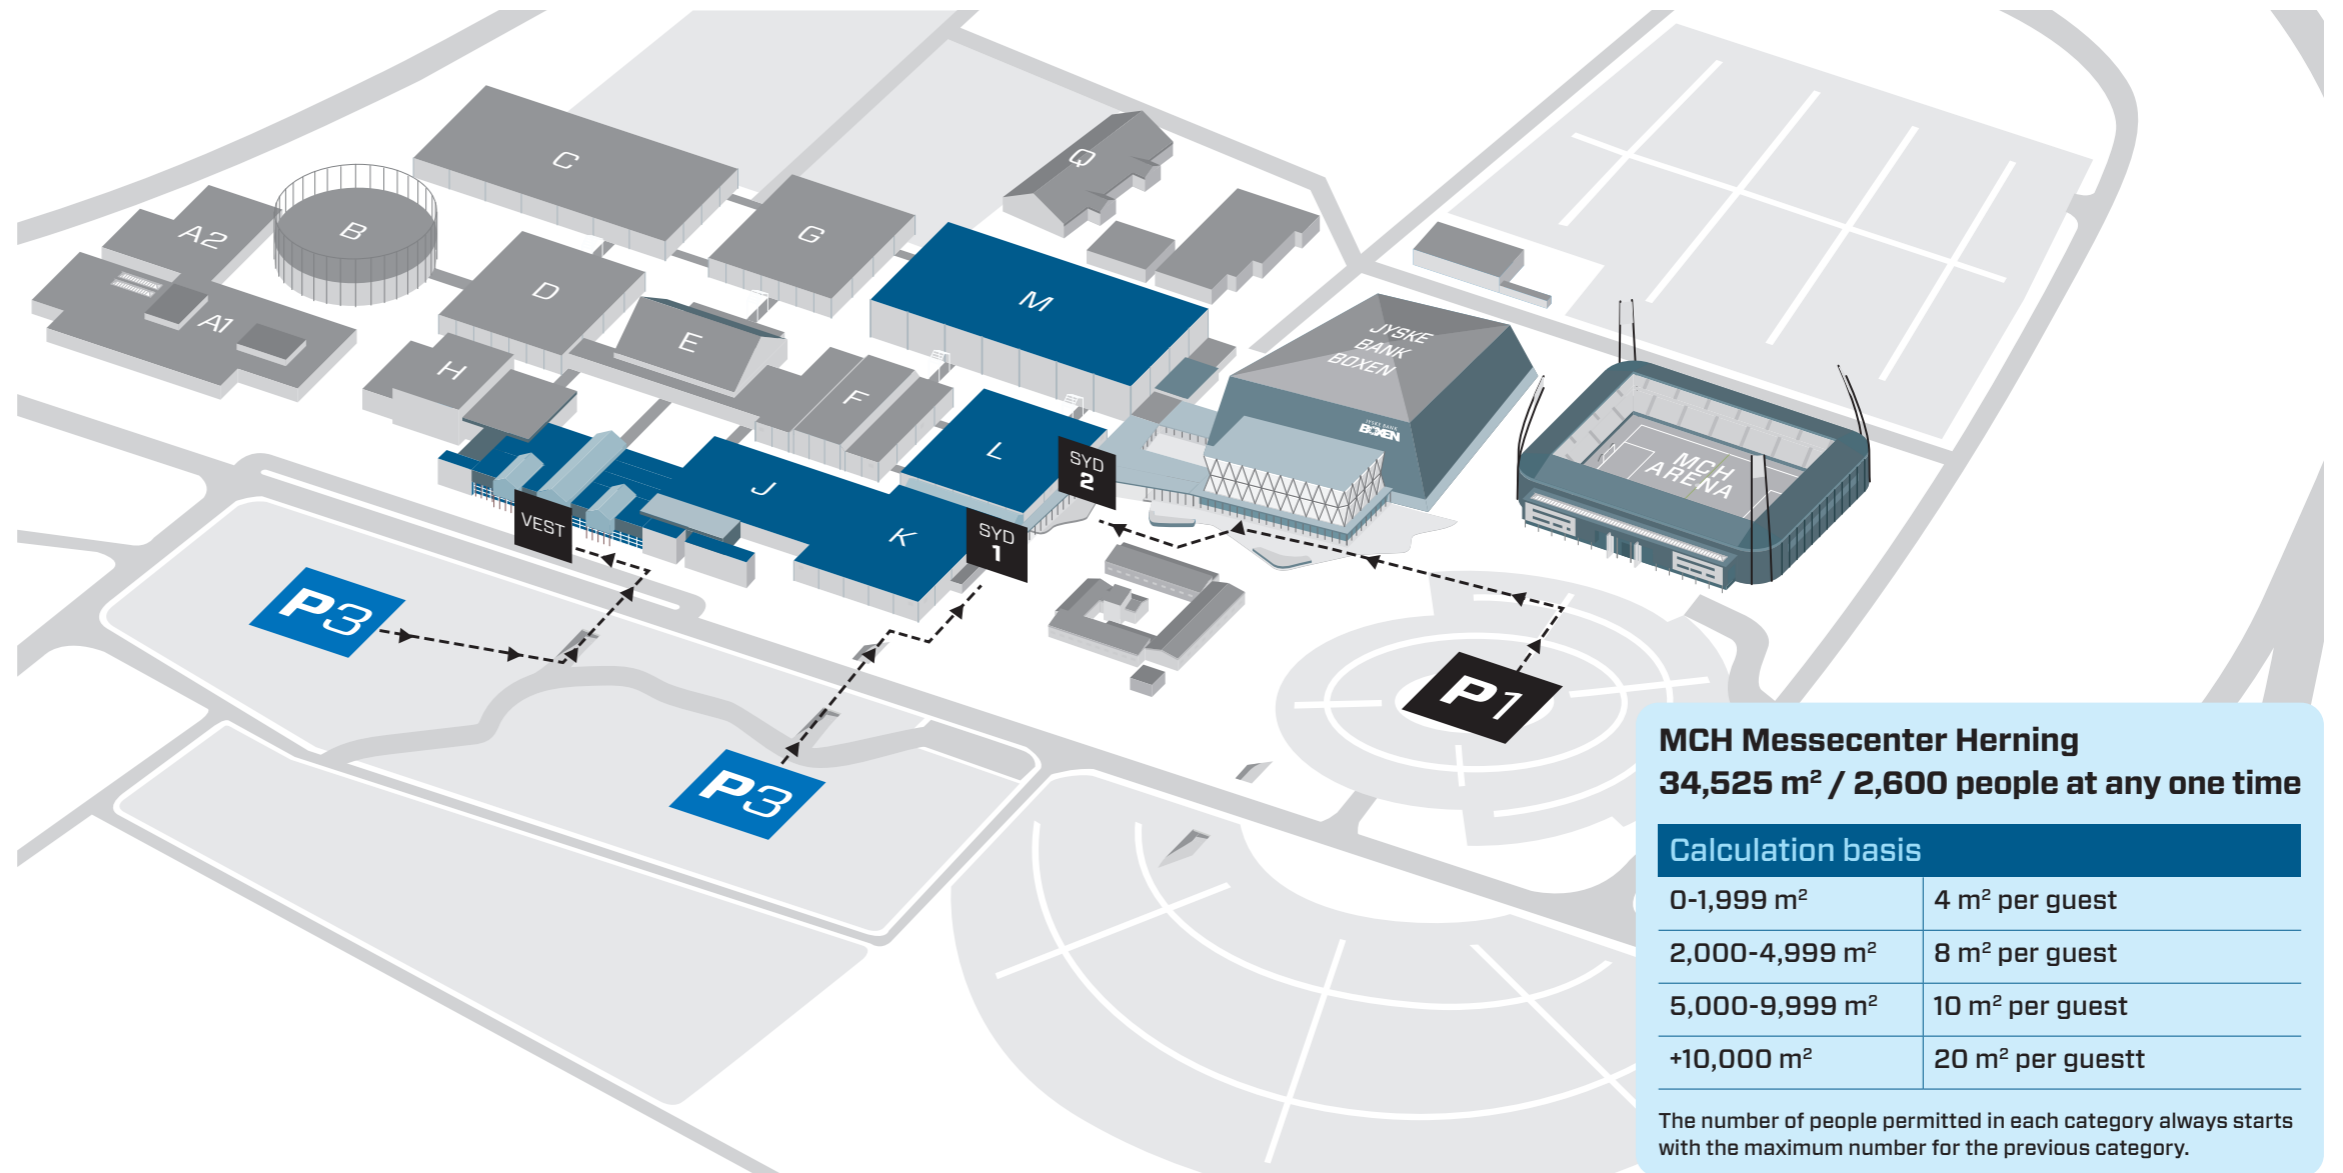

With 110,000 m² spread over 15 exhibition halls, we can guarantee the necessary space, and with responsible choices and measures we can comply with the authorities' guidelines and recommendations, so you can feel safe when you visit MCH.

SafeMCH® makes visiting MCH simple, safe and responsible from arrival to departure, exactly as before.
