DIGITAL OVERVIEW OF YOUR LEADS

We are pleased that we can offer you access to the Eventbuizz lead scanner App for digital collection of your leads at the upcoming DiaLabXpo. The app makes you able to scan your leads via a QR code on the visitor's badge, so you can easily collect relevant contact information via your phone (iPhone / Android) not suitable for iPad.

Price for the Eventbuizz lead scanner App (without limitation of users) is DKK 995 excl. VAT.

You can read more about the app in the exhibitor manual: My staff > Collection of leads

INVITE YOUR CUSTOMERS – AND WIN

A lot of guests visit the exhibition based on a personal invitation from you, as an exhibitor. Therefore, we also need your help and encourage you to send invitations to those customers and collaborators, you would like to see at the exhibition. With an invitation the guest saves the entry fee at DKK 100, - excl. VAT.

Therefore, we would also like to reward the three exhibitors, who get most invitation codes activated with: **1st place** wins 6 tickets for Michael Bubl  in Jyske Bank Boxen 15 March 2023 **2nd place** can look forward to a culinary experience at A Hereford Beefstouw with a gift voucher for a dinner for 6 people **3rd place** will be the lucky winner of a gift voucher for MCH Herning Congress Center worth DKK 5000,-

The winner will be notified directly after the expo. To make it easy for you to invite your customers and network we have produced an electronic invitation with your invitation code.

You can find the invitations in the exhibitor manual: Marketing > Invitations
