

Exhibitor News

Dear

This email contains information about:

- “Meet us at stand...” banner ad
 - Product News
-

"Meet us at stand..." banner ad

As part of the tool box which FoodTech offers you as an exhibitor, we send you banner ads with your stand number to be used in your marketing.

The banner ad can be used in both digital and printed marketing. The banner is available both as an electronic banner (JPG file) and a print-friendly banner (PDF file).

Both files are available in 2 languages.

You can use the electronic banner on your website, in emails and post it on social medias etc. Use the print-friendly banner in your print advertisement.

Your banner has been sent to you

Profile your Product News at FoodTech

All exhibitors at FoodTech can register their Product News for evaluation free of charge.

FoodTech Product News

The Product News items will be approved within five categories and submissions will subsequently be evaluated by experts from a number of industry organisations as well as selected consultants and specialists.

See the five categories here:

- Packaging
- Processing
- Components
- Laboratory equipment
- Ingredients and technological aids
